

MUSICAL MATHS II

Prime Number Countdown Game

TASK:

Can you make the number 19 using each note value?

= 19

Here's one way of doing it:

$$\begin{array}{ccccccc} \text{Whole Note} & + & \text{Half Note} & + & \text{Quarter Note} & + & \text{Eighth Note} & = & 19 \\ 12 & & 4 & & 2 & & 1 & & \end{array}$$

Now can you make Prime Number 53?

= 53
